

BOLTON MACMILLAN INFORMATION & SUPPORT SERVICE UPDATE *May 2021*

We are now offering appointments for people who want face-to-face support.

All appointments need to be pre-booked and the session will last for up to 50 minutes. This is so we can clean in between appointments. We will be ensuring social distancing is maintained at all times and we will be asking people to wear face protection, unless they have medical reason not to do so. We will also continue to offer support over the phone or online if preferred.
